

<p><u>Can you raise awareness of plastic pollution by raising money for charity?</u></p> <p>Can you raise money litter picking in your community / seaside for a 'Save Our Oceans' charity or a personal charity of your choice?</p> <p>Here is one for you: https://www.kidsagainstplastic.co.uk/learn/issues-and-concerns/</p> <p>Create a short video to explain: why you chosen the charity you have chosen, where you decided to do your litter picking, how much litter you collected, take lots of pictures and let us know how much you raised.</p> <p>Please ask an adult to support you with this activity.</p> <p>You may wish to team up with some of your peers / family members or do independently.</p>		<p>Write a post card from the Seaside to your teacher.</p>	<p>Can you make a funfair ride that you would find at the seaside that can rotate. E.g. Ferris wheel.</p>
<p>Practise your sewing.</p> <p>What stiches can you do with a needle and thread?</p>	<p>Draw and explain a food chain of an animal of your choice.</p>	<p>Make a seaside in a jar.</p>	<p>Create a poster about picking up / dropping litter at the seaside and the effects/affects this may have/has on the environment / wildlife.</p> <p>Research a country you have or would like to visit.</p> <p>Create a poster with facts about your chosen country.</p>
<p>Over this half term these are activities that you can complete if you are self-isolating, home learning or just want to do something extra. Please post your photographs of what you get up to onto Seesaw or email them into school. You can also complete any of the activities into your homework book which will be collected in the last week of each half term.</p>		<p>Learn the multiplication and division facts for the 2, 5, 10 and 3 times table.</p> <p>E.g. $1 \times 3 = 3$ and 3 divided by $3 = 1$</p>	<p>Make a healthy summer dessert.</p> <p>Can you help prepare the dish?</p> <p>Cut, grate and peel?</p>
